Driftsorganisation ESC Venue

- Følgende er et overblik over Projektselskabets driftsorganisation på ESC venue fra den 25.4 til den 11.5.
- Organisationen har en lille kerneledelse, der modsvarer DRs organisation på venue. Det er ledelsens mission at drive en venue med et højt serviceniveau i alle hjørner af venue og indenfor alle funktioner.
- Der er tale om en serviceorganisation, hvis grundlæggende formål er at sikre en velfungerende og veldrevet venue hele døgnet i hele perioden. En organisation, hvis helt centrale fokus er, at få gæsterne til at føle sig velkomne og godt behandlet i faciliteter, der er rene, behagelige og funktionelle.
